

Beings Established for the Fa

By Dafa practitioner Kun Ming from China

(Clearwisdom.net) From articles on Clearwisdom we often read such sentences as, "Even if I may perish together with the evil, I will still eliminate it." From my heart I admire the firm determination of these fellow practitioners and their indestructible righteous thoughts towards Dafa. However, after some contemplative thought, I feel that there is something improper about it. We are Dafa practitioners. In the article "Dafa is Indestructible," Master says, "As a Dafa disciple, everything of yours is formed by Dafa and is the most righteous," "You are beings who are being established for Dafa," ("Teaching the Fa at the 2001 Canada Falun Dafa Cultivation Experience Sharing Conference") and "Dafa disciples are magnificent." ("The Disciples' Magnificence") The old evil forces aim to destroy Dafa and to harm sentient beings, therefore they are bound to be eliminated in the course of Fa-rectification, and they cannot be mentioned with Dafa disciples in the same breath. Think about it, do we need to perish together with a mosquito that is harming people when we need to eliminate it? When eliminating the evil, if we magnify and amplify the force of the evil, isn't it true that we still have a hidden attachment of fear deep in our mind?

The above is my personal understanding. Please point out anything improper.
